

## SLAYER ON "L" GIVES SELF UP

Girl Victim's Cries Kept Ringing in His Ears Constantly.

## HE WENT TO A DANCE.

But Later Negro Who Killed Man and Woman in New York Surrenders.

PHILADELPHIA, April 20.—A negro, giving his name as William Perry, approached Guards Steel and Brown, in the City Hall, at 3 o'clock this morning, and asked to be taken into custody. He said that yesterday he shot a man and woman in New York.

His story is that he had been living with Alice Merret, in New York, for some time and that Lewis Williams, another negro, who won the girl's affection, he rode up town on an elevated train with the couple, but was prevented from shooting them on the train by the fact that a policeman occupied the seat facing him.

When the couple alighted at the One Hundred and Tenth street station he began firing at them. The first shot struck the woman in the back, and he then fired three more shots that struck the negro Williams and caused him to pitch forward down the stairs.

He was chased by a mob, but escaped on a street car. He went to South Camden, where he spent the night at a party, and came to this city accompanied by two women, who ran away as he approached the guards.

He says he did not intend to harm the Merret woman, but had secured the revolver for the purpose of shooting Williams.

Perry says his mother lives at No. 60 West Thirtieth street, New York, and gave his address as Cape May, N. J. He claims that he was formerly employed as a servant by ex-Mayor Tenbrook, of Asbury Park.

The New York police were notified and will come here today to lay a formal charge of murder against the prisoner.

Perry says that the girl's cries kept ringing in his ears, and this induced him to surrender.

## JURY FINDS MILES AND CLERKS GUILTY

Scanlon and McMahon, Tried With Them for Sewer Frauds, Are Acquitted.

William O. Miles, a well known Brooklyn lawyer, and his two clerks, Frank N. Wandell, Jr. and Charles G. Wells, were convicted of conspiracy today by the jury which has been trying the cases of alleged sewer frauds against the city.

The trial was before Judge Crane, in the County Court, Brooklyn, and the jury went out to deliberate last night. At 7 o'clock this morning Judge Crane was notified that the jury was ready to report. He hurried to court and received the verdict.

The foreman announced that in the case of Miles and his two clerks the verdict was guilty. In the case of former deputy sheriff Daniel Kane, the jurors had failed to agree. Martin J. McMahon, chief of the bureau of claims of the Controller's office, and John B. Scanlon, city inspector of claims, were acquitted.

## BLEW POST-OFFICE SAFE IN RICHMOND

Thieves Got \$400 Cash and \$700 in Stamps in Mariner's Harbor.

## Burglars Broke Into the Post-Office at Mariner's Harbor, Staten Island, Early Today, Blew Open the Safe and Escaped With \$400 in Cash and \$700 in Stamps.

The safe was neatly drilled, and the door was blown off. As a family lives over the post-office, which is on Richmond Terrace, it is believed that the safe blowers were experts, no one in the family being awakened by the explosion.

The row-boats which had been tied up at the docks in Staten Island Sound, near the post-office, were missing this morning, and the police presumed that the thieves had escaped with their booty in them to the Jersey shore.

The robbery was not discovered until Postmaster Abraham E. Dupuy opened the office this morning. He had been there until midnight working and he said all was right.

On July 4 last, when William E. Fessenden was postmaster, he reported a robbery of \$11,000. He said that while sweeping the sidewalk a highwayman held him up, forced him into the bank and made him deliver the funds. Fessenden was removed from office in September and Dupuy was appointed.
